

For a fund raiser program the Arlington Wild works the Texas Ranger's base ball games.

When we commit to work a food booth for a home stand we are able to lock down a favorite beer booth for the entire season. We enjoy running the "Beers of Texas" beer booth. It is very popular with the fans and a good money maker for us. A percentage of all sales are given to the Arlington Wild.

By working at the ball bark it is very possible to pay for most or all of your player's dues for the upcoming season. Because we sell beer at all our stands all adult workers that serve beer are required to be "TABC" qualified, which means that you will have to attend a (free) four hour class at the ball park.

If you are interested in working to off set your player's dues, please contact Pete Zimmerman at tazim28@swbell.net .
